

## **Corpus Christi Pistol & Rifle Club**

### **Requirements for All Shotgun Instructors**

Shotgun instruction guidelines for reserving fields/scheduling lessons:

Any violation of the following requirements may result in revocation of membership and loss of access to CCP&R facilities.

You can teach as follows:

The following is subject to field availability and does not include times when CCPRC has a registered shoot, a fun shoot or a private/corporate event that requires the use of shotgun fields.

For members and non-members (who have a liability waiver on file in office prior to lesson start, must sign a new one each year)

- Mondays: sunup to sunset
- Tuesdays: sunup to sunset August 1 to December 31, sunup to 5 pm Jan 1 to July 31 (unless a group lesson of 3 or more Nueces County 4H shooters are in the lesson and the head 4H coach approves of a field for this purpose during their practice night)
- Wednesdays: Sunup to 10:30 am and 1:30 pm to sundown (10:30 to 1:30 is the club's scheduled maintenance time for shotgun fields)
- Thursdays: sunup to 6:30 pm
- Friday: sunup to sundown
- Saturday and Sunday: 1:00 pm to sunset

Instructors coming only once or twice a year may be given exceptions to the above as regards scheduling.

Non-members who do not have a liability waiver signed on file in club house may only be instructed when the clubhouse is open as it is required that a liability waiver be signed prior to start of lesson. All non-members must purchase tokens at non-member rates and if the instructor is buying tokens ahead of time for a non-member must purchase as such.

If instruction is given at times when the club is closed instructors are required to pick up all spent hulls on the field, roll up pull cord, release/turn off machines and fill machines with targets prior to leaving.

Field 4 is not to be used for instruction as it is the only field a member that desires to shoot alone can use with the club provided wireless system.

Instructor fees to the club are \$25 per student per day. If the student is a 4H shooter the fee is \$12.50 per student per day.

Each instructor will provide a copy of a current Certificate of Liability Insurance for a minimum of \$1,000,000.00 per occurrence. The certificate will identify the named instructor and show CCPRC as an additional insured.

Each Instructor will provide a copy of their current Instructor's License.

All lessons will be scheduled 48 hours in advance with the club manager or assigned staff and recorded on the planning calendar in the Clubhouse by the manager or assigned staff. Availability will be on a first-come, first-serve basis. It is our policy that not more than one shotgun instructor be present at the same time due to our capacity for members.

CCPRC is not responsible or liable for any equipment or items left on the premises. With my signature below, I hereby release any and all claims against the Corpus Christi Pistol & Rifle Club resulting from my participation in or as a spectator of firearms shooting activities, including any claims caused by the negligence of the Corpus Christi Pistol & Rifle Club. I have read the release and waiver of liability and indemnity agreement and fully understand its contents and signed it of my own free will.
